# ITINERARY

THE 500

## Start of the itinerary

At the agreed time, individual departure towards Florence by train. Arrival in the Tuscan capital and free transfer to the departure point of the 500 (from the station 30 minutes on foot or taxi or public transport).

## The iconic Fiat 500:

After welcoming you, one of our experts will explain the Fiat 500 in all its particularities. During the excursion, you will be assisted in a very short time in case of need. You will be the protagonist at the wheel of the legendary Fiat 500. You will have the opportunity to visit extraordinary locations, to experience unrepeatable emotions. Please do not forget your camera, you will be able to take home unforgettable images: from the panorama of all of Florence admired from Piazzale Michelangelo to the green Florentine hills characterized by beautiful vineyards and olive groves and enchanting villages.

*Well! As you have to do is open the roof, let the wind blow through your hair and enjoy this magical Tuscan moment.*

## End of the tour:

At the end, return to the train station or free visit of Florence. Return to Lucca or Viareggio by train.
