DAY 3

● LUCCA:

Breakfast at the hotel. Meeting with the guide and visit of Lucca and its historic center surrounded by intact Renaissance walls. They are the largest example in Europe of walls built according to the principles of modern fortification that have been preserved completely intact in a large city. The current city walls are exactly 4 kilometers and 195 meters long. We continue with a visit to the Cathedral of San Martino, Piazza Napoleone and Piazza San Michele, the heart of the city. It corresponds to the ancient forum of the Roman city. The Church of San Michele: is located in the square of the same name. Free lunch. We will continue the visit with the Torre Guinghi. We can limit ourselves to appreciating it from below, or reach the top by climbing the 230 steps. The tower is built of stone and brick, it is one of the most representative monuments of Lucca; its main feature is the presence of some holm oaks on its summit. And finally we head towards Piazza dell'Anfiteatro and the Basilica of San Frediano. Dinner in a typical farmhouse in the Lucca countryside. Overnight stay at the hotel.
