HOW TO DRESS AND WHAT YOU NEED

It is advisable to bring a backpack with water that will also be used to put your clothes in if you are hot. No moon boots! A trekking boot is ideal... or a high shoe, at most a boot... As for clothing, don't imagine being cold, walking warms you up, better to dress in layers, even better with technical clothing such as running or trekking! Generally it is warmer than when skiing!

NIGHT SNOWSHOEING

Start:

Meeting of participants at the agreed times and places and departure for Abetone by minibus or Gran Turismo coach.

A beautiful evening outside the box awaits you... a snowshoe hike that begins and ends at night!

The snowshoe hike:

A night tour of about 2 hours, starting from the town center and ending in a pizzeria for a dinner all together! Fantastic mountain routes in close contact with nature. Easy/medium difficulty, bring a front light (If you don't have one, you can also buy one at our office for 5 euros). Leave work early or do something different during your stay in Tuscany, come to Abetone: Snowshoeing and dinner! A nice Friday to spend in the snow! The cost of dinner in the pizzeria is separate (everyone pays their own, à la carte menu)
