ITINERARY

MORNING

Start:

Meeting at 09.00 at the hotel/accommodation or at the collection points and departure by minivan or minibus to Genoa. Entrance and visit to the Aquarium.

Discovering the deep blue:

A large Cetacean Pavilion, 70 tanks, 400 different animal species for more than 15,000 animals. Over 24 million visitors from 1992 to today: these are the numbers of the Genoa Aquarium, the largest attraction in the Ligurian capital. Known throughout Italy and a source of pride for the city, the Genoa Aquarium presents such a vast aquatic biodiversity that it is the most important in Europe. If you are among the few who have never been there, prepare to be amazed in front of the large shark tank, smile at the attitudes of the penguins and be amazed by observing the gracefulness of the giant manatees up close. If, however, it is not your first visit, at the Genoa Aquarium there is always something new to learn, a new aquatic species to discover or a new way of learning about nature.

AFTERNOON

Genova:

At the end, free time for a short visit to the centre of Genova.

Lerici:

Return to Tuscany with a stop for an ice cream or aperitif (not included) in the beautiful Lerici, pearl of the Gulf of Poets. Time to enjoy this splendid landscape.
